

1) Please re-pack your return securely in the original box you received making sure the item will not shake or move during shipping. Please wrap the item(s) in the original protective packaging or a leak proof liner.

2) Print and fold this label at the dotted line.

3) Affix this label onto the address side of the parcel covering up any previous delivery address and barcode without overlapping any adjacent side. If tape or similar material is used, it must not cover any part of the label where postage and fee information is to be recorded.

4) Cross out or cover any other addresses and barcodes on the outside of the box.

5) Take the parcel to a Post Office, drop it in a collection box, or give it to any postal carrier.
